

AMENDMENT TO COMMITTEE PRINT**OFFERED BY MR. OTTER**

In title XII, in section 1211, in new section 215 of the Federal Power Act:

(1) In subsection (a)(3), insert “, including cybersecurity protection” after “system facilities” .

(2) In subsection (a)(4), insert “, including a cybersecurity incident,” after “disturbance” .

(3) At the end of subsection (a), insert:

1 “(8) The term ‘cybersecurity incident’ means a
2 malicious act or suspicious event that disrupts, or
3 was an attempt to disrupt, the operation of those
4 programmable electronic devices and communication
5 networks including hardware, software and data that
6 are essential to the reliable operation of the bulk
7 power system.”.
